

Hillside Student Community

School Supplies List, 2020-2021 School Year

Materials/Tools to be provided by Hillside, to be picked up by families:

- Supplies made available by Hillside will be available on campus to be **picked up by families Wednesday August 26- Sunday August 30, 9:00 AM – 8:00 PM. The front door will be unlocked.**
- Each student has a labeled desk station in the main, Stage Room, at which staff has collected their supplies. 5/6 grade stations are in their room.
- Please bring bags or boxes in which to collect your student's supplies to take home.
- If you should have any questions or problems while there, please text Leslie at (206) 849-1075 for assistance. (Please text, as I won't answer un-recognized phone call numbers.)

Materials/Tools to be provided by families by August 31st:

- Below (attached doc) are the supplies required and suggested for the upcoming school year for each grade level and class; *please read through EACH heading that applies to your student!*
- The first day of classes is Monday, August 31; please do your best to secure these supplies by the start of school.
- Please feel free to contact appropriate staff directly with any questions.

Grades 5-6, All Students: Megan@hillsidesc.org

Required:

- Internet access
- A Zoom account
- A laptop/desktop with working internal or external camera, microphone, and speakers and/or headphones
- An area in your home conducive to participating in online learning
- Pencils and pens
- Highlighters
- A ream of ruled composition paper
- A King County Library Card (with any unpaid fines cleared)
- Basic art supplies such as markers, scissors, colored pencils, glue, and tapes
- A working printer at home, with a few reams of paper, and extra ink
- Composition notebook for writer's notebook - students may keep a digital writer's notebook instead if they wish.
- A planner
- Bring a book to read or one that you are currently reading
- A trowel (for Science, Laura, Laurac@hillsidesc.org)
- A digital tablet with stylus to allow handwritten digital work (A \$12 [stylus](#) if you already have a tablet. If you need a tablet, [this \\$40 unit](#) -which includes a stylus- will work) (for Math, Julie , Julie@hillsidesc.org)

Optional/Helpful:

- A scanner, or the free Adobe Scan App for phones or tablets.

Grades 7-11, All Students:

Required:

- Internet access
- A Zoom account
- A laptop/desktop with working internal or external camera, microphone, and speakers and/or headphones (Please note: iPads do not allow for full Zoom functionality!)
- An area in your home conducive to participating in online learning
- Pencils and pens
- Highlighters
- Minimum 2 reams ruled composition paper
- Basic art supplies such as markers, scissors, colored pencils, glue, and tape
- A King County Library Card (with any unpaid fines cleared)
- Basic art supplies such as markers, scissors, colored pencils, glue, and tape
- A working printer at home, with a few reams of paper, and extra ink
- A USB thumb drive
- A planner
- A scientific calculator ([such as this unit, \\$18 on Amazon](#)) (for Algebras, Geometry, Pre-Calc, etc with Wis@hillsidesc.org and laurac@hillsidesc.org)

Optional/Helpful:

- A scanner, or the free Adobe Scan App for phones or tablets.

Grades 7/8 Additional Supplies

Required:

- Measuring spoons (for Environmental Science, Laura LauraC@hillsidesc.org)
- Measuring cups (for Environmental Science, Laura LauraC@hillsidesc.org)
- A spot in the same room as their computer where students can occasionally conduct science experiments involving water, etc. (I will provide at least a day of warning before lab days and don't expect us to get too messy inside... we'll save most of the mess for outside between Zooms. I just don't want anyone to spill a full cup of water on their computer while setting up brine shrimp.) (for Environmental Science, LauraC@hillsidesc.org)
- A digital tablet with stylus to allow handwritten digital work (A \$12 [stylus](#) if you already have a tablet. If you need a tablet, [this \\$40 unit](#) -which includes a stylus- will work) (for Pre-Alg, Alg, and Geometry, Julie , Julie@hillsidesc.org , Laura, Laurac@hillsidesc.org)
- Writing journal(s) of some sort, such as Moleskins or blank books (digital is ok) (for Literature class, kalan@hillsidesc.org)
- Brush set ([\\$8 from Blick Art](#)) (for Art, leslie@hillsidesc.org)
- 8 oz (minimum) white glue (for Art, leslie@hillsidesc.org)
- Scissors (for Art, leslie@hillsidesc.org)
- Assorted magazines, etc., to cut up for collages (for Art, leslie@hillsidesc.org)

Grade 9 Additional Supplies

Required:

- *All except Liza:* A digital tablet with stylus to allow handwritten digital work (A \$12 [stylus](#) if you already have a tablet. If you need a tablet, [this \\$40 unit](#) -which includes a stylus- will work) (for Geometry, Julie , Julie@hillsidesc.org)
- Writing journal(s) of some sort, such as Moleskins or blank books (digital is ok) (for Literature class, kalan@hillsidesc.org)
- Brush set ([\\$8 from Blick Art](#)) (for Art, leslie@hillsidesc.org)
- 8 oz (minimum) white glue (for Art, leslie@hillsidesc.org)
- Scissors (for Art, leslie@hillsidesc.org)
- Assorted magazines, etc., to cut up for collages (for Art, leslie@hillsidesc.org)

Grade 10 Additional Supplies

Required:

- Writing journal(s) of some sort, such as Moleskins or blank books (digital is ok) (for Literature class, kalan@hillsidesc.org)
- *Liam & Pierce only:* [Brush set](#) (for Art, leslie@hillsidesc.org)
- *Liam & Pierce only:* 8 oz (minimum) white glue (for Art, leslie@hillsidesc.org)
- *Liam & Pierce only:* Scissors (for Art, leslie@hillsidesc.org)
- *Liam & Pierce only:* Assorted magazines, etc., to cut up for collages (for Art, leslie@hillsidesc.org)

Grade 11 Additional Supplies

Required:

- Writing journal(s) of some sort, such as Moleskins or blank books (digital is ok) (for Lit class, Kalan, kalan@hillsidesc.org)

Fall Electives, Additional Supplies

Film Editing with jean@hillsidesc.org

Required:

- Adobe Premier Elements (Download from B&H Photo: \$60). Please note: The trial version is not acceptable - it leaves a permanent watermark on all output.
- A connectable video camera (a cell phone will work, but must be able to transfer video to the computer used for editing).
- A computer powerful enough to run Adobe editing software

Sartorial Arts with Leslie@hillsidesc.org

Required:

- An assortment of fabric scraps (can be old clothing, sheets, etc)
- A good pair of scissors for cutting fabric
- Polyfill stuffing (about \$8 for 12 oz, available at any sewing store, Joann for instance)

Independent Cooking with Laurac@hillsidesc.org

Required:

- Access to a fully equipped kitchen
